Statement showing works budgetted for 1104 in the P. W. D. and not taken up in that year but carried over to the subsequent years.

Works provided for in the budget of 1104, but not taken up	Works mentioned in col. 1 for which there is provision in the budget of 1105	Works mentioned in col. 2 which have not been taken up in 1105 and for which provision has been made in the budget of 1106	Remarks
Communication.	**Communication.**	**Communication.**	
1. B. I. No. 2/04 Opening a road from Peppathipara to State boundary	All works except Nos. 7 & 9. In the case of No.7, the work was abandoned in consideration of a chira since sanctioned to be taken up for construction close to the site of the bridge which would serve the purpose of the bridge as well. In the case of No. 9 it was thought that it would be possible to complete the work in 1104 itself, and hence no provision was made in the budget of 1105. This anticipation did not materialise and so funds were found by transfer in 1105 and the work completed.	Nos. 2 and 8 have part provision and they are in good progress. No.3 is a work which has to be executed by the S. I. R. The estimate has not been received from the Co. and hence it is thought unnecessary to repeat making provisions year after year without getting the estimate. In the case of No. 5 the question is pending decisipn after examination of the site. The rest of the works have all been completed or are nearing completion.	There are only 3 works, viz., Nos. 3, 5 and 7 which have been neither taken up nor provided for.
